

XXII WORLD CHAMPIONSHIPS FSKA ITALY 27-30 OCTOBER 2022 TREVIGLIO – BERGAMO “PALAFACCHETTI” Via Bosco

Dear friends

It is with great pleasure to invite you to participate in the next XXII FSKA World Championships which will be held from 27 to 30 October in the city of Treviglio (BG) at the "Palafacchetti" sports hall in Via Bosco.

Treviglio is a town on the outskirts of Bergamo, with 3 international airports in its vicinity.

It is a town in the Po Valley in the north of Italy, close to important cities such as Milan and holiday resorts on the lakes and mountains of the Alps and Prealps.

At the request of the delegations, our Organization will provide coaches for the pick-up and transfer of the Delegations to and from the airport, as well as from the Hotels to the Sports Pavilion and from there to the Hotels.

The conduct of the International Championship will contribute to the further development of the Funakoshi Shotokan Karate Association and we are confident in the large presence of Italian athletes and athletes from the various continents.

We thank everyone for being present at this important post-covid event, which sees the restart of FSKA international activities, hoping that the war in Ukraine will also allow the Ukrainian team to participate in the XXII FSKA World Championship in Italy.

Informazioni generali

Treviglio is a historic town, about 26 km from Milan-Bergamo Orio al Serio airport, about 25 km from Milan-Linate airport and 86 km from Milan Malpensa airport.

It is a town in the Po Valley of northern Italy and is about 35 km from the center of Milan, 31 km from the center of Bergamo, 64 km from Lake Iseo, 100 km from Lake Garda with the "Gardaland" amusement park, 230 km from Venice.

The organization of the Championships is held by Us Acli, a Sports Promotion Body recognized by Coni, with Usn Karate, the karate sector of the Us Acli, and by FSKA Italy in the persons of the two managers Alessandro Cozzani and Michele Julitta. The continuous dissemination and development of the FSKA are an important goal for traditional shotokan karate in our country, as a reference point of the origins transmitted and continued by the Funakoshi family dynasty of the FSKA (Funakoshi Shotokan Karate Association), with the constant presence on our territory. by Maestro Kevin Funakoshi in his seminars during the European tour.

The stay in Italy for people from non-European countries is subject to a visa in their own country through the embassies, I remind you to provide in the right time.

The current currency is the Euro, and all payments are normally made in euros, it is possible to pay in all places via credit cards.

The voltage is 220 volts with standard European type C plugs.

It is possible to travel by public transport, such as buses or trains, the train station is at the back of the sports hall, also convenient for moving to Milan or Bergamo.

Everywhere in Italy you can find excellent quality food, cuisine is one of the most important resources in Italy, in addition to the wonderful monuments, museums and Unesco heritage sites that distinguish it in the world. Bars, pastry shops, evening clubs with music and piano bars surround the Italian cities.

For those wishing to visit more distant cities, such as Florence, Rome, Pisa, the advice is to use the plane as the airports are very close.

TREVIGLIO, the sports hall and the nearby places

Treviglio, the largest city in the Gera d'Adda, that is in the lower territory between the Adda and the Serio, the second city in the province of Bergamo, is located south of the capital, in the fertile and well-irrigated Po Valley, with a moderate continental climate.

Stabilized for almost half a century around 25,000 - 26,000 inhabitants, today it has 29,000 inhabitants and is an important road and railway junction. It is located at the intersection of state road N.11, Padana Superiore, in its stretch from Milan to Brescia, and state road N.42, of the Tonale and Mendola, which descends from Bergamo and then branches off towards Lodi and Crema.

As numerous archaeological finds would testify, as well as the layout of some internal streets, the origins of Treviglio are very ancient, probably late Roman, even if its first written document dates back to 964.

Treviglio is rich in historical, artistic and religious testimonies. Among them: the Minor Basilica of S. Martino and S. Maria Assunta, a true art museum that also houses the wonderful "Pala D'Oro" by Zenale and Butinone, an undisputed masterpiece of the Lombard 400; the grandiose romantic bell tower 68 m high, the Sanctuary of the "Madonna delle Lacrime" in memory of a miraculous event of February 28, 1522

(date of the town patronal feast); the cloisters of the great monasteries of the Augustinian and Poor Clares and many other minor works.
